## *ABOUT THE MASS CULTURAL COUNCIL*

Established by the legislature in 1980, the Massachusetts Cultural Council (MCC) is a state agency which distributes revenues to arts councils statewide to benefit the arts.

### *MISSION*

The mission of the MCC is to promote excellence, access, education and diversity in the arts, humanities, and interpretive sciences to improve the quality of life for all Massachusetts residents and to contribute to the economic vitality of our communities.

## *ABOUT THE HANOVER CULTURAL COUNCIL*

The Hanover Cultural Council (HCC), appointed by the selectmen, is a group of interested individuals whose main purpose is to qualify grant applicants and dispense funds allocated by the MCC for community-based arts and cultural events that benefit the residents of Hanover.

Last year the council received 36 grant applications from artists, schools and local groups requesting funds totaling more than \$31,000.

The council's FY07 allotment of \$4,000 was allocated toward projects which provided the broadest community impact.
